Dear Dr Marano.

The purpose of this letter is to verify that we, Dash Law Firm, have taken on one of your recent clients injury claim cases. Wanda Gandry can to us after she was in a car accident and wanted compensation for the other driver's negligence. We have decided to take on her case, and are confident we will get a cash settlement very soon.

You can be assured that when we do receive the cash settlement, any outstanding debts Wanda has with you, specifically file #734232, will be paid in full.

We thank you for your cooperation!

Sincerely,

John Garldan
